

PRESS FOR STEEL PEACE

Expect Heavy Turnout of Voters Tuesday

Good Weather, Local Issues To Spur Vote

Taft, Stratton Favorites on Republican Side

With spring-like weather predicted and several local issues holding the spotlight, Lee county election experts are expecting a heavy turnout of voters for Tuesday's primary.

The vote, they say, will exceed the 7,000 total chalked up in 1950, and will certainly surpass the number who turned out for the last presidential primary in 1948. There are approximately 18,000 registered and eligible to vote Tuesday.

Taft Favorite
Interest of the Republicans will center on the Taft-Stassen presidential tussle, with Senator Taft the probable winner in the popular vote by a wide margin. In a straw poll taken by The Dixon Evening Telegraph, Senator Taft's margin was almost four to one. Downstate his popularity was equally as great.

Local Democrats were centering their interest on the fight for state representative, where Hubert Considine, Dixon, the incumbent, is being opposed by three candidates, Francis Gehant, Dixon businessman; Paul W. Wehrle, DeKalb, and Henry J. White, Sonoma, former holder of that office.

Work Hard
Considine's supporters were working feverishly the past week. They were matched by equally hard campaigns on behalf of his opponents.

The race for Republican nomination for governor, was also creating interest in GOP party circles. William G. Stratton, present state treasurer, and a sure-fire vote getter in previous campaigns, was expected to be returned the victor. His known Lee county and downstate strength is expected to be augmented by recent support thrown to him by GOP party workers in Cook county.

Trustee Race
On the local scene, the race for county school trustee will bring out an unusual number of voters, particularly in the southern and eastern sections of the county. Since the board, newly-created by the legislature, will rule on school district withdrawals, or additions, some districts are placing heavy stress on electing their own representatives.

John K. Batchelder, Dixon, former president of the Dixon board of education, is this township's lone candidate. The Evening Telegraph is urging his election since this newspaper feels that a township with 56 per cent of the county's population deserves representation.

Eleven in Race
Eleven candidates are in the race for seven posts. Only one man from a township can be seated.

The \$600,000 road bridge bond issue will also attract voters to the polls. The bonds are designed to finance the replacement of 28 bridges in the county, all of which have been declared unsafe for heavy traffic.

Two Million Vote Seen In Illinois

By the Associated Press
Names made the political news today on the eve of a possible two-million vote turnout for Illinois' presidential preferential primary.

Illinois has 4,818,000 registered voters. A two-million ballot tomorrow was looked for because of a happy weather forecast and steam generated by stump speeches and write-in campaigns.

Two million votes would be some 600,000 shy of the record set in the 1936 primary.

The primary is strictly a popularity poll. Results are not binding on delegates to the presidential nominating convention.

Dr. Voss Speaks On Fluoridation

Dr. J. J. Voss, formerly of Chicago and for the past two and a half years a resident of Dixon, was the speaker this noon at the Dixon Rotary club meeting at the Loveland Community House.

Voss, a dental surgeon, spoke on "Fluoridation of Water."

EDITORIAL

Vote Tomorrow

Every citizen has an important duty to perform tomorrow and that is—vote. Nothing should be allowed to interfere with your getting to the polls. If possible, do it early. Whatever your convictions are, let them be registered on the ballot.

The election tomorrow is a primary, but it is no less important to you than a general election, because in tomorrow's election you will help decide what men we will be able to select from in the general election next November. Some of the candidates nominated tomorrow will be put in office next fall and they will run the machinery of government for the next term of office.

By this time you must have given enough thought to the subject to know for whom you intend to cast your ballot. If you are not sure, the Evening Telegraph carries again in this issue a sample Republican ballot marked for the candidates we believe should be nominated. You may clip this column and take it along to the polling booth with you for reference in marking your ballot if you like.

But whether you are a Republican or a Democrat and whether you like our recommendations for candidates on the Republican ticket, you should take enough interest in your country, state and nation and in your own welfare to exercise your voting privilege. You have a date at the polling place in your precinct. Please keep that date.

THE EDITOR

Dixon Firemen Summoned to Three Blazes

A farm building blaze, one of three fires reported by Dixon's fire departments over the week-end destroyed approximately one quarter of the roof on the corn crib of the farm operated by Kermit Jensen on Rt. 2, Dixon, Sunday afternoon.

The fire, according to Rural Fire Chief John Quest, started from sparks blown onto the crib roof from a brush fire about 400 feet away. Damage to the roof was not estimated.

The roof fire also started a smaller corn cob blaze about 75 feet from the crib, but it was extinguished before any damage was done.

In two other calls, both made by the city fire department, a cardboard box and a bonfire were blamed as the causes for two fires which resulted in minor damage.

According to Fire Chief Jake Johnson, the department was called about 5:30 a.m. Monday to the residence of Mrs. Clara Sawyer, 215 Hennepin av., when a fire started in a box in the basement.

Sunday, about 3:15 p.m. the department was called to the home of Anthony Sefolo, 708 Second st., when an abandoned chicken coop was touched off by a nearby bonfire. Considerable damage to both walls and roof was reported.

Nephew Named Beneficiary in \$59,500 Estate

Henry R. Bunker, Reynolds township, was named the sole beneficiary today in the \$59,500 will of Ham Bunker, who died Feb. 5, at Rochelle.

The will was admitted to probate today in Lee county court before Judge Grover W. Gehant.

Assets of the Bunker estate were listed at \$4,500 in personal property and \$54,000 in real estate.

Henry Bunker, who is a nephew, had resided with his uncle for the past 20 years. He was also named as executor of the will.

Here's Your Ballot Plus 88,799 Others

COUNTY CLERK STERLING D. SCHROCK (left) and Deputy Clerk Bruce Dunlop go to work on the tables lined with more than 88,800 Lee county ballots for Tuesday's primary election. Along with the ballots, the men must also pack a supply box for each precinct and have it delivered by today. They started the major share of the work only six weeks ago. These three tables hold only a partial share of the ballots. Two more tables loaded in the same manner are not pictured. (See story on page 6.)

Senator Taft Heavy Choice In Dixon Area

Sen. Taft will receive an overwhelming majority of votes from Dixon area citizens in Tuesday's primary election, final results of The Telegraph's presidential straw vote indicate.

Taft received 99 of the 145 Republican votes cast in the sample contest among Telegraph readers. Voting ended Saturday.

Harold E. Stassen, the only other major candidate on the Illinois ballot Tuesday, received only two straw votes. Gen. MacArthur, not on the ballot but a sentimental favorite among many Taft supporters, was second choice among local Republicans. MacArthur received 25 votes.

Gen. Eisenhower, Republican hopeful who did not choose to enter the Republican primary, got only 18 votes.

Returned ballots from local Democrats were negligible. Of the 11 ballots received, Gov. Stevenson was the choice of seven voters.

REPUBLICAN	
Taft	99
MacArthur	25
Eisenhower	18
Stassen	2
Warren	1
Total	145

DEMOCRATS	
Stevenson	7
Kefauver	3
Douglas	1
Truman	1
Russell	0
Kerr	0
Total	12

HANDY SPOT
ST. LOUIS. (AP) — A pair of pigeons picked a good place to build their nest—just outside the St. Mary's hospital maternity division.

The nest was built about a week ago on the porch. The female bird is waiting over two eggs.

Nurses are giving the expectant mother good care by feeding her.

County School Board Vote to Command Interest on Tuesday

The election of a seven-man county school board of trustees will be one of the major issues in Tuesday's election.

Eleven men from Lee county will be trying for the position on the board.

A 1951 statute provided for county board of school trustees, each with seven members. The board's main business will be to change school district boundaries and set up new districts.

The boundary powers to be vested in the board effective July 1 are now held by school township trustees, county school superintendents and county judges.

Boundary cases must come before the board on petition of district residents concerned.

Initially, two members will serve two year terms, two for four years and three for six years. Length of terms will be determined by lot. Successors to original board members will be elected for six years.

The board will choose its own president. The county superintendent of schools will be its ex officio secretary.

The law provides that only one member can be selected from any single congressional township. However, in very small counties with fewer than seven congressional townships, two can be elected from the same township.

(The Telegraph is publishing again a specimen ballot. In the last publication, the name of Clifford A. Blocher, Franklin Grove, a candidate from China township, was omitted.)

"DIZZY" WEEK
ST. LOUIS. (AP) — Mayor Joseph M. Darst has proclaimed "Dizzy" week for St. Louis April 11 to 17 in honor of Jerome (Dizzy) Dean, former St. Louis Cardinals pitching staff.

Dean will be feted in ceremonies before the Browns and Cardinals open their annual two-day spring exhibition series next Saturday. Dean is back in St. Louis as a radio sports announcer.

VOTE FOR TAFT-STRAITON

Specimen Ballot

(This is a list of the candidates who will appear on the April 8 ballot for the election of seven members of the county board of school trustees. Each voter has seven choices. Not more than one may serve from the same congressional township. The congressional township names, in parentheses, will not be listed on the official ballot.)

Swanson Sued By Chicago Grain Firm

OREGON—A suit for \$18,500 was filed Saturday in circuit court here by a Chicago grain company against Mark Swanson, Byron grain dealer, for money allegedly owed by Swanson for grain which was never delivered.

Swanson was recently arrested by Ogle county officials on charges of issuing fraudulent checks.

Saturday's suit was filed by the Stratton Grain Co.

Courtesy driver No. 6 in the Junior chamber of commerce campaign is E. O. Brooks, 909 Chicago av. Brooks gave a persistent motorist the benefit of doubt this morning and yielded the right of way to him at the intersection of First street and Hennepin avenue.

He received merchandise valued at a dollar furnished by Sinow & Wienman.

Stalin Makes Bid for New Peace Talks

Indian Envoy Tells of Meeting With Red Premier

MOSCOW. (AP)—A half-hour conversation between Prime Minister Stalin and India's ambassador to Moscow has produced a new call for the world's "top people" to meet in an attempt to settle major international problems.

"There is no outstanding problem now dividing the world which could not be settled with discussion and negotiation. Every effort should be made to get the top people together," said the Indian ambassador, Sir Sarvapalli Radhakrishnan, after his conversation Saturday night with Stalin.

Stalin's interview with the Indian diplomat was viewed here as another in a series of important Soviet moves apparently aimed at fostering the hope that the divided world can settle its differences peacefully.

The Communist moves in this direction include:

1. Stalin's statement last week to a group of American newspaper editors and radio men that a third world war is no nearer than it was in 1949 or 1950 and that a meeting of the big power chiefs of state would be useful.

2. The international economic conference now under way here at which M. V. Nesterov, president of Russia's chamber of commerce, said Saturday that the Soviet Union is ready for a vast expansion of trade with all countries.

3. The Russian proposal nearly a month ago that the United States, Britain, France and the Soviet Union get together to negotiate a peace treaty with a united Germany.

The Indian ambassador talked with Stalin during a farewell call before leaving April 8 for India to become his country's vice president.

The Indian embassy said Sir Sarvapalli and Stalin had a "very frank discussion on many of the issues which are now agitating the world."

Ohioan Falls From Window, Dies Sunday

James Loan, 29, War II Veteran, Dies in Hospital

OHIO—James T. Loan, 29, a World War II veteran, died at 8:15 p.m. Sunday at the Princeton hospital from injuries received early Sunday when he fell from a second-story window at his home.

A coroner's jury returned a verdict of accidental death. He had suffered shock and internal injuries.

Mr. Loan served in the air force 30 months during World War II. He was an aerial gunner and saw action in the Pacific area.

Since the recent death of his father, he had taken an active interest in the operation of a tavern owned by his father. He was a son of Mr. and Mrs. Edward Loan and was born Dec. 24, 1922, at Amboy.

He attended Ohio schools and a parochial school of Sublette.

Mr. Loan is survived by his mother, Mrs. Catherine Loan; four sisters, Delores, at home, Mary, at Evanston, Mrs. G. J. Cameron, Walnut, and Mrs. F. D. Patterson, Chicago; two brothers, Frank, Evanston, and John, Ohio.

Funeral services will be at 9:30 a.m. Wednesday at the home and at 10 o'clock at Immaculate Conception church, Ohio. The Rev. T. C. Wujek will officiate.

Burial will be in St. Patrick's cemetery, Amboy.

The body will be taken from the Buckley-Staples funeral home, Dixon, to Mr. Loan's home late this afternoon.

HE HAS SECRET
JOHNSTOWN, Pa. (AP)—Alice Kinney celebrated her 90th birthday today and what's her recipe for longevity?

"Don't get drunk," she chuckles. "But a little sip of wine is the best medicine."

Miss Kinney has been blind for 30 years and partially crippled for 22.

WSB Chairmen Meets Union In New York

No Sign of 11th Hour Pact; Strike Set for Tuesday

BULLETIN
WASHINGTON. (AP) — The government today froze all shipments of steel for civilian goods because of the threatened strike Wednesday.

NEW YORK—(AP)—A government mediator pressed anew today for a settlement of the steel wage dispute but his efforts failed to ease the threat of a strike tomorrow midnight.

Nathan P. Feinsinger, chairman of the Wage Stabilization Board, met with top union officials in a last-ditch attempt to prevent a walkout by 650,000 members of the CIO United Steel Workers.

In a statement, Feinsinger announced he had met briefly with industry leaders late last night and expects to have "either separate or joint conference throughout today."

Furnaces Cool
While the search was on for a peace formula, furnaces in the industry's great mills were being cooled in preparation for a shutdown.

Shortly before 11 a.m. (CST) an aide of Feinsinger said he had ended the session with union leaders. The aide added that Feinsinger probably will meet later with industry officials. The hour was uncertain.

Meanwhile, a union spokesman announced Union Steel President Philip Murray would make a 15-minute radio address over station WNBC tonight at 9 p.m. (CST) with "an answer" to the radio talk made last night by U.S. Steel Corp. President Benjamin Fairless.

Makes Appeal
Fairless asked the union to call off the strike, saying it would benefit "nobody this side of the Iron Curtain." Murray commented briefly then that it was industry, not the union, which was "forcing the strike."

Feinsinger's conferences today followed weekend meetings with both sides, which had prompted Feinsinger to speak cautiously of "gradual progress" towards a "better understanding" of each other's problems.

Phone Strike Hits; Claim Service Okay

NEW YORK. (AP) — A Two-pronged communications strike flared across the country today, but an American Telephone and Telegraph spokesman said "most service is normal."

The CIO walkouts hit the Western Electric company, installation and maintenance subsidiary of the Bell system in 43 states, and the telephone system itself in five states.

Coupled with a continuing AFL strike against the Western Union

NO EFFECT—YET
Effects of striking areas had not been noticed this morning in Dixon phone service, according to officials of the Dixon Home Telephone Co. It was believed that long-distance service may be put on an emergency basis Tuesday.

All local phoning is automatic and would not be affected, an official said.

Telegraph system, the new walkouts made the communications snarl a three-way affair.

About 67,000 workers—16,000 of them employees of Western Electric and 51,000 of them telephone employees in Ohio, New Jersey, Michigan, Northern California and Nevada—quit their jobs.

They are all members of the CIO Communications Workers of America. All-night mediation efforts had failed to bring agreement.

Although picket lines of the 43-state Western Electric crews would threaten telephone service generally, picketing was only sporadic so far.

In the Western Union strike, now in its fifth day, the company claimed today that service has been restored in 82 major cities of the some 2,000 cities and towns where it has offices.

Call It Propaganda
The union, the AFL Commercial Telegraphers said this claim was company propaganda, and that "we have the country sewed up except for New York City."

NOTES FROM A CITY EDITOR'S DAYBOOK

When Tadao Suzuki, Tokyo, Japan, and a Northwestern university student, appeared before the Dixon Rotary club last week, he told them that since democracy has returned to Japan under the occupation, 85 to 90 per cent of the voters have been going to the polls.

Contrast that with the less than 40 per cent of the American citizenry expected to vote tomorrow and it is readily seen that what the Japs have regained from tyranny has suddenly become very precious.

Of the 18,000 registered to vote tomorrow in Lee county, only 8,100 are expected to cast a ballot. That's an optimistic figure.

A READER who agrees with our Friday column on dog poisoners has brought up an interesting angle on the situation. She suggests that dog owners band together in a sort of vigilante group, pay dues and pay rewards for the conviction of these murderers of pets. This writer suggests that the club be called "Friends of Animals."

This person has spent long hours attempting to trace the murderer of a pet to no avail.

"Our own three little girls gave her all the love they possessed, so all our hearts still ache with her loss," this person writes.

"I ALSO BELIEVE in city and county tagging of dogs, but actually sometimes these few dollars are not available for the pets of children in poor families. Yet these pets mean as much or more to these children because, they have so few other things. I would suggest this club have a fund to aid these children in worthy cases, to purchase the tags. Perhaps to help their self-respect, let the children borrow from it and pay it back in small amounts. In other words, just have a group of animal lovers, and kind people, who can lend a helping hand."

WE ENDORSE this plan wholeheartedly and will furnish the name and address of this person to all who honestly wish to subscribe to the plan. If it adds one bit more of protection from these "wards" we're for it.

Brakes Faulty, He's Cause of Three Accidents

Faulty brakes was blamed as Lee Saunders, 417 Highland av., had three traffic accidents Saturday afternoon within a few minutes and all within two blocks.

It started about 5:15 p. m. when Saunders was traveling north on Galena avenue and failed to stop behind the auto operated by Joseph Munson, 1114 W. Fourth st., Dixon.

From there, Saunders cautiously proceeded to Second st. and Galena av. where, upon turning the corner, he ran into the rear of the car operated by Kenneth E. Gaul, 724 E. Morgan st.

As if that wasn't enough, Saunders continued a few feet and this time failed to stop before denting the right front fender of the car operated by Joseph Riffle, 816 S. Jefferson av.

According to Dixon police officers Lloyd E. Williamson and Ray Wilson little damage resulted in either of the three mishaps.

Streator Man Confused, He Hits Two Autos

A Streator salesman, confused by traffic mangers at the intersection of Chicago avenue and East Seventh street, was the apparent cause of an accident which resulted in minor damage to two autos here Monday morning.

The salesman, Alfred Henry Grupe, told Dixon police that he was confused over the markers and had gone straight ahead on Seventh street, bringing his car into a collision with the one operated by Goldie M. Gligous, 615 Spruce st., Dixon.

Police officers John Woodyatt and Jack Van Meter investigated.

Weather

Fair and warmer tonight; Tuesday, partly cloudy and warmer. Low tonight 38, high Tuesday 66, low Tuesday night 44. Southerly winds tonight, 7-10, coming 25 miles an hour Tuesday.

Cleveland Zoo Office Receives Visitors

PURR-PLIXING PROBLEM—Cats, lots of 'em. Two jaguar babies, a leopard infant, and a slightly wild tiger cub, right, are cluttering up the office of the Cleveland, Ohio, zoo. It's the only place for zoo babies before they can fend for themselves. Janet Sommer, left, and Mrs. L. H. Bernhardt say business is business, and kittens are going too fur. The babies must move out.

Program Given by Eldena School Community Club

ELDENA—Thursday evening the Eldena grade school community club held its April meeting with good attendance.

In the program were Judy and the Andersons, Ohio, who tap danced; Janet Payne, who played piano solos, and "Chick" Deader and "Clint" Origenes, with guitar and fiddle numbers.

The lower grades presented their songs and dances which they are preparing for the music festival. Next month officers will be elected at the coming year's activities.

Bert Lorenzen, teacher, will be temporary den mother to aid Chester Deadmond with Eldena Cub Scouts.

Eldena Notes...

ELDENA—Ken Marshall, Oren and Mrs. Chester Deadmond are attending training school for Scout leadership in Sterling.

Mt. Morris Notes

MT. MORRIS—On Palm Sunday, Mr. and Mrs. Fred Park attended services at Trinity Lutheran church, Rockford, at which time their grandson, Charles Newburg, was confirmed.

Mrs. Annie G. Wells came Sunday to remain indefinitely in the home of her son, Mr. and Mrs. Edgar Wells.

Mrs. Josie Ray left this week for Lombard where she will remain for a few days with her daughter and family, Mr. and Mrs. Cecil Armbruster. Sometime next week she will be joined in Chicago by her aunt, Mrs. Gus Kessel, Grand Rapids, Mich., and together they will go by train to Bell, Calif. Mrs. Ray will visit her daughter, Mrs. Ted McGary.

The Ira Nortons, who with Mrs. D. L. Miller and Mr. and Mrs. Carl Clome, Lanark, had been vacationing in Florida for two weeks, returned home Saturday night. They were guests of the S. E. Aveya in Sarasota, and stopped at the A. R. Gilberts in Hollywood, Fla.

Colors in Home Explained to Woman's Club

OHIO—The Ohio Woman's club held the regular April meeting at the Methodist church, Thursday evening.

Mrs. Barlett, LaSalle, gave an interesting talk on home color furnishings.

The committee was Mrs. W. H. Carey, Mrs. Curtis Saltzman, Mrs. Ray Righthouse, Mrs. Guy Eyer, Mrs. Richard Swanson and Mrs. Clifford Anderson.

LITTLE LIZ

It's funny how a tree can stand in one spot for years, and suddenly jump in front of an automobile.

19 Area Men Enlist in Armed Forces

List Totals For Air Force, Army in March

Nineteen area men enlisted in the army or air force at the U. S. army and air force recruiting station, Sterling, during March.

The list includes two from Polo, one from Ohio, one from Amboy and two from Dixon. Enlistmentees are as follows:

Air force, four-year enlistment—Virgil E. Broers (prior service, navy), Walnut; Ramon Mata, Sterling; Perry E. Hubbard, Sterling; Harold R. Moore, Sterling; Gerald W. Holmquist, Sterling; John H. Holt, Rock Falls; Carl N. Sommers, Rock Falls; Glen Parks, Rock Falls; Robert Cotter, Dixon; Max G. Ebert, Polo; James C. Corrigan, Marion; Vernon E. Grossman, Ohio; Roger Lee Gallentine, Walnut; Buddy A. Huett, Erie.

Army, three-year enlistment—Wilbur D. Smith, Amboy, and Richard A. Christensen, Walnut.

Army, two-year enlistment—Wayne A. Meyer, Polo; Kermit D. Sarber, Milledgeville, and Clinton G. Younger, Dixon.

Eligible men still may enlist in the branch of service of their choice after receiving pre-induction physical examinations, according to S/Sgt. William F. Wood, station commander. The privilege is to end June 30.

Surprise Brunch Held at Eldena

ELDENA—A "surprise brunch" took place at the C. W. Welsh home Friday morning with about 16 persons attending. This event is similar to the popular "galloping breakfast"—except the hostess does not know her guests are coming.

A small sum is charged for the breakfast, and given to the organization Friday's brunch was for the Eldena WSWs.

POETRY PROGRAM

MT. MORRIS—The Current Events club will meet Tuesday with Mrs. Everette Moore as hostess. Mrs. Nightingale will present the program, "Poetry for Poetry's Sake."

PEO MEETING

MT. MORRIS—The PEO will meet with Mrs. W. H. Thomas, Tuesday night.

Methodist Group Makes Plans Election, Easter Activities

AMBOY—Members of the Methodist Evening Guild met Thursday evening in the church parlors. The members of the losing membership team were hostesses.

A scramble plans was had, and Mrs. William Kidd Jr., a recent bride, was honored with a household shower.

During the business meeting conducted by the president, Mrs. Ray White, plans were completed for serving the public dinner on election day.

The guild members will assist the WSCS on Easter Sunday with the annual Easter breakfast at the church. The WSCS will be in charge of the kitchen and the guild will take care of the dining room.

The officers of this year will serve as a nominating committee and will have a slate of officers to present at the May meeting to be voted on. The new officers will be installed and take office in June.

Hostesses for the May meeting are Mrs. Marvin Miller, Mrs. Max Jones and Mrs. Frank Ottenheimer.

Mrs. Leo Miller displayed her character dolls, telling how she made the dolls and then dressed them.

To Report for Korea Shipment

OHIO—Pfc. Robert Faxon, Monterey, Calif., formerly of Ohio, was an overnight guest at the home of his aunt, Mrs. Arden Jackson, Thursday evening. He is to report at Camp Stoneman, Calif., April 18 to be sent to Korea.

The original form of the name "Iran" was "Aryans," the country of the Aryans.

Iowa produces 15 per cent of the U. S. oats production.

Ohio Notes...

OHIO—Mr. and Mrs. Ed Zehr, West Bureau, and Mr. and Mrs. Arden Jackson visited at the Foster Canney home, Minooka, recently.

Mr. and Mrs. Arden Jackson were Saturday evening guests of Mrs. Tena Eckland, LaMoille.

Mr. and Mrs. Harold Rogers, Tampico, were guests of Mr. and Mrs. Curtis Saltzman, Wednesday.

Mr. and Mrs. Julius Saltzman attended the concert of the Dixon high school choral choir, in which their granddaughter, Kay Bryant, took part Friday evening.

There was an all school skating party at the Princeton rink Friday evening, sponsored by the senior class.

Mr. and Mrs. Robert McLaughlin and family, Bellwood, Ill., returned home Sunday after spending several days with her mother, Mrs. Mary Rickert.

Mrs. Clayton Guithier entertained 12 relatives and friends at her home Friday afternoon at a birthday party honoring her mother, Mrs. Mary Rickert.

Miss Mary Ann Anderson, student at Mt. St. Claire academy, Clinton, Ia., arrived home Saturday to spend Easter vacation with her parents, Mr. and Mrs. W. F. Anderson and family.

Mrs. Ed Duffy and Mrs. W. F. Anderson spent Thursday in Mendota.

Mrs. A. G. Zipsnes and son, Pittsburg, Calif., came Thursday to visit her sister, Mrs. Fugus Anderson, and her father, Mr. I. M. White, Walnut. Her mother, Mrs. White, is a patient in Princeton hospital.

Dave McDonald, Jim Fahs, Carl Morgensen and Jerome Conner attended the basketball game between the Big 10 all stars and

List Services For Holy Week At Mt. Morris

MT. MORRIS—Churches have announced the following services during Holy week here:

At the Lutheran church, Tuesday will be communion service. Wednesday communion both services to be at 7:30 p.m. Thursday, communion service at 1 p.m. and at 7:30 p.m.

The Christian church communion, Thursday at 7:30 p.m. and Easter Sunday, two services, the first at 9:30 a.m. will be for the A. K. membership group, the second at 11 a.m. for the L. Z. membership. An instruction class in church membership for children will be conducted by the pastor, the Rev. William Harper, from 4 to 4:30 p.m., April 7 to 11.

At the Methodist church, Wednesday, the regular meeting of the WSCS will be held, with a 6 o'clock dinner by Mrs. Virginia Zimmer and committee. There will be an election and installation of officers. Mrs. Robert Keller, world traveler, will speak on Japan. There will be colored pictures.

Thursday evening at 7:30 the sacrament of the Lord's supper will be observed. An offering will be taken for the Fellowship of Suffering.

Good Friday services, sponsored annually by the Council of Churches, will be at the Church of the Brethren from 12:25 p.m. to 3 p.m.

Holy week services will be at the Church of the Brethren as follows: Monday evening at 7:30 the sermon, "The Cross Bearer"; April 8, sermon, "The Loneliest Man in History"; Wednesday evening, sermon, "Almost a Disciple."

Thursday evening there will be a period of meditation in the sanctuary at 7 p.m., followed by a communion service. April 13 at 7:30 a.m., young people's breakfast at Trinity Lutheran church, at 10 a.m. Easter worship service and program by the Manchester college capella choir. The public may attend. Easter Sunday evening there will be a film, "The Difference."

Mount Everest, highest mountain in the world is in the Himalayas of India.

UNCLE EF

When Judgment Day comes, I wonder if old St. Peter will pay much attention to people who try to justify crookedness and corruption by saying everything they ever did was legal. A lawyer at your elbow may not be of much help at the Pearly Gates.

AN OPEN LETTER TO THE VOTERS OF LEE COUNTY

On the eve of this election which is of so much importance to me I wish to say this, "I know of no substitute for plain old hard work, honesty, broadmindedness and impartiality. This is all I have to offer you. To study closely each measure that comes up before the legislature, and vote according to whether it is or is not in the best interests of the majority of the people in the 35th Senatorial District. If elected this is what I am determined to do come what may. If you feel, as I do, that our public affairs can be carried out on a higher plane of intelligence and honesty go to the polls tomorrow, ask for a Democratic ballot and vote for me. I will not betray the trust you show in me."

FRANCIS C. GEHANT
CANDIDATE FOR STATE REPRESENTATIVE
DEMOCRATIC PARTY Tomorrow's Election

Every delivery is "special delivery!"

We can quickly show you why merchants who use Internationals with Metro* bodies get special advantages on every delivery run.

Metros help your drivers do a better job, faster. Metros offer greater package capacity. Metros are more maneuverable, smarter looking, more economical.

This truck offers so many special advantages that it has been first in multi-stop delivery truck sales for 14 straight years. Why not see our Metros soon?

Look at these outstanding advantages:

- Silver Diamond valve-in-head engine built in the world's largest truck engine plant.
- Maximum maneuverability—37° turning angle, more positive control, safer, easier handling.
- Leader in the multi-stop delivery field for 14 straight years.
- Six models—with GVW ratings from 5,400 to 11,000 pounds. Cubic foot capacities—235, 292 and 375.
- Matched body and chassis built to your specifications under one roof to save you money.
- America's largest exclusive truck service organization.

Buy on Proof!

Before you buy any truck, get the facts about Internationals from actual owners. Let us give you a list of persons in this area who have recently bought new Internationals like the one you are considering. Check with any or all of them. Find out how Internationals cut hauling costs on jobs like yours.

Model L-120 with 9 1/2 foot Metro body, 115 inch wheelbase. *Metro, Registered trade mark of The Metropolitan Body Company, Inc., subsidiary of the International Harvester Company.

Standard of the Highway

Sakron held his breath as Pilate raised his hand for silence. "Whom shall I release unto you? Barabbas, or Jesus which is called Christ?" shouted Pilate. "Barabbas! Barabbas!" screamed the mob.

"What shall I do then with Jesus?" asked Pilate. "Crucify him!" thundered the crowd. Pilate stiffened. Washing his hands in a basin, he murmured, "I am innocent of the blood of this just person."

His bonds severed, Barabbas stepped cockily into the embrace of his followers. Sakron's friends fought their way through the throng to be at their hero's side.

Sakron did not join them. He was curious to see if Jesus could maintain His composure. His expression of beatific peace, during the cruel scourging, or flogging, that always preceded crucifixions.

Four Babies Perish in Home Fires

ST. LOUIS (AP)—Four babies died in two separate fires in the St. Louis area yesterday.

Michael Williams, 3, and his brother, Dennis, 6 months, died in a South St. Louis apartment fire which got out of control as Mr. and Mrs. Clarence Williams tried to smother flames with blankets.

Williams got out the back door and re-entered through a front window in an effort to rescue his wife and two children, but he was driven back by smoke and flames. Mrs. Williams escaped through a side window.

The boys died later at City hospital of burns. The parents suffered cuts and burns.

At nearby Venice, Ill., Mrs. Jesse Turnbull had left their small house to get a bucket of water when a neighbor saw flames in the building.

Mrs. Turnbull brought out Jessie Grace, 5, and Richard, 2, but was unable to save Betty Lucille, 20 months, and Edna Wyomia, 2 months. Mrs. Turnbull and the neighbor, Mrs. Irene Pfeiffer, suffered minor burns. The two older children were not hurt.

VA Budget Cut Rapped by State Legion Executive

CHICAGO (AP)—The state commander of the American Legion says a bill to cut \$83,000,000 from the Veterans Administration budget is "neither economy nor efficiency."

Charles C. Shaw, of Paxton, yesterday told a Legion executive committee in Chicago that "home-coming Korean veterans make it necessary to expand these (VA) services."

A bill which calls for an \$83,000,000 cutback in VA spending now waits action by the senate appropriations committee.

The Legion committee also protested a newly enacted Illinois law which forces small schools to meet certain minimum enrollment requirements. Larger pensions and compensations for World War II widows and orphans also were asked by the committee.

P. F. Brautigan, a Chicago stock broker, was elected state senior ice commander at the executive session.

High School Youth Waits Prosecution For Father's Death

BEMIDJI, Minn., (AP)—Lloyd Knutson, 16-year-old high school sophomore who police said admitted slaying his grandfather, father, at quietly in his jail cell today waiting action on a judge's request that he be prosecuted for murder.

The lad and his mother, Mrs. Arl Knutson, had a tearful reunion Saturday night in their first meeting since the boy was taken to custody last Wednesday night, few hours after the slaying.

Juvenile Court Judge S. M. Loefel termed him a delinquent Saturday and ordered County Attorney Herbert E. Olson to seek grand jury indictment for first degree murder.

The county attorney said the boy had admitted shooting, dynamiting and then attempting to cremate his 57-year-old father because of a long-standing hatred.

SPRINGFIELD, (AP)—Harold Cavins of Charleston yesterday was elected president of the Illinois Public Health Association at the group's annual meeting.

Mary M. Dunlap of Chicago was designated president-elect. Ben Kinningham of Springfield was named association secretary.

Kentucky has 3,607 miles of railroads, Tennessee 3,491 miles.

Clothing Workers Defer Pay Demand

NEW YORK, (AP)—The CIO Amalgamated Clothing Workers, acknowledging a slump in the men's clothing industry, has decided not to seek a pay boost now for 150,000 of its members.

The United States Clothing Manufacturers Association announced last night the union has agreed to extend currently expiring contracts until Sept. 15.

The decision regarding the association may set a pattern for Amalgamated's 375,000 members in all branches of the men's clothing industry. The union has not staged a major strike in 30 years.

The union obtained a 12½ cents an hour pay raise in November, 1950, its first wage hike in three years. Present wages average \$1.62½ an hour.

State Highway Official Held For \$300 Bribes

WAUKEGAN (AP)—A state highway division superintendent has been arrested on a charge of bribe-taking.

Emil Kubik, 37, of North Chicago, was seized at his home Saturday on a warrant issued by Ray J. Reardon, a justice of the peace.

The warrant was obtained by Joseph F. Krotowski, 37, also of North Chicago. Krotowski formerly operated a welding business at Rondout in Lake county.

Kubik, a member of the Lake county Democratic central committee, was charged with accepting a \$10 kickback on welding work

performed by Krotowski for the highway division.

State's Attorney Robert Nelson said Krotowski told him that he had paid Kubik \$300 in kickbacks on state work.

Kubik was released under \$2,500 bond and hearing was set for April 23.

ENGINEER PROMOTED
SPRINGFIELD, (AP)—Jesse L. Gray, engineer of design in Illinois highway district eight at East St. Louis, today was named district engineer.

Gray, who started working for the highway district in 1919 as a junior student engineer, succeeds F. H. Helmer, district engineer who died last Feb. 1.

In the 17th century, the Swiss adopted an extra commandment: "Thou shalt not smoke."

Fear Outbreak Of Riots Over Africa Race Laws

JOHANNESBURG, South Africa, (AP)—Thousands of South Africa's non-Whites launched a nationwide campaign against Prime Minister Daniel F. Malan's race laws yesterday. Initial rallies in the country's major cities went off peacefully.

Leaders of Negro, Asiatic and colored (mixed blood) organizations hoped the drive would develop into a full-scale passive resistance movement aimed at crushing the government's policy of race segregation.

Some fear the campaign will result in violent strife between South Africa's 9½ million non-Whites and the 2½ million Whites.

Announce Camp Ralston Benefit Party for April 14

Easter Luncheon Followed by Cards Planned for Three Homes

This year the annual Camp Ralston Benefit will be an Easter luncheon and card party Monday, April 14, at 1:15 p. m. Hostesses will be Mrs. Robert Shaw, Mrs. Vernon Duke and Mrs. Harold Coss, patrons of the Girl Scout movement in Dixon, who have graciously offered their homes for this occasion.

The financial committee of the Girl Scout board is in charge of arrangements and includes Mrs. Edward Mack, chairman; Mrs. Charles Lesage, Mrs. Harold Porter and Mrs. Coss. They will be assisted by all other members of the board.

Anyone wishing to make reservations is urged to call a member of the arrangements committee as soon as possible.

Open to Public
This event is open to the public and everyone will be notified as to which hostess' home they are to have luncheon. Canasta, bridge or pinocle will be played. There will be an attractive prize for each table.

Women of Moose

The Women of the Moose will meet Tuesday evening, April 8. Reports from the publicity, Mooseheart, library, Moosehaven and membership committees are due at this time.

'52' will be played following the meeting and refreshments will be served.

Methodist Women

The Woman's Society of Christian Service of the Methodist church will observe A Day Apart for Lent from 10 a. m. to 2 p. m. Wednesday, April 8. This will be a period of devotion.

The women are asked to bring a St. James Bible, writing pad and pencil and a sack lunch.

All women of the church are welcome.

GRACE COOPER SOCIETY

The Grace Cooper Walter Society of St. Paul's Lutheran church will meet at the home of Mrs. Carl Janssen, 910 Walnut av., at 7:45 p. m. Tuesday, April 8. Eleanor Powell and Mrs. Fred Meinke will be assistant hostesses.

Mrs. Charles Portis, Mrs. Ferris Walker and Miss Rose Rudolph will have charge of the lesson study.

VIOLA HOME BUREAU

The next meeting of the Viola Home Bureau will be held at 2 p. m. Thursday, April 17, at the home of Mrs. Paul Gehant, West Brooklyn.

The lesson will be on the social meaning of tact.

Viola Women, Guests Report Chicago Trip

Thirty-six members and guests of the Viola Home Bureau unit recently spent a day taking an annual tour to Chicago. Meeting at Routes 30 and 51 the group boarded a chartered bus which took them directly to the Olson Rug company. After a tour of the factories, Mrs. Sid Bagnall, West Brooklyn, was the winner of a scatter rug.

The Lee county women visited Tommy Bartlett's television show, Hi Ladies. Tour chairman, Mrs. Irvin Koch; unit chairman, Mrs. Howard Ackland and several of the other women were presented gardenias. Lunch was enjoyed at the St. Clair hotel.

In the afternoon the women saw the stage show, "Guys and Dolls," and also did some shopping. Dinner was eaten at 'The Last Word,' Downers Grove.

Birthday Dinner

Mary Wheatland, Jeanie Sneek and Melvin Sneek, all of Dixon, were dinner guests Wednesday evening at the A. W. Bulfer home, Rt. 2, Amboy. The occasion honored Mary's birthday.

Others present were: Dennis and Ellen Bulfer and the host and hostess.

YOUNG MOTHERS CLUB

The Young Mothers club will meet at 8 p. m. Wednesday, April 9, at the home of Mrs. Ken Abbott, 921 Mary av., Shore Acres. Those unable to attend are asked to call Mrs. Leonard Glenn, 2-6533.

SURPRISE PARTY

A group of friends descended upon Mrs. Harold Green Saturday at the Green home in Grand Detour. It was her birthday anniversary and truly a real surprise.

NACHUSA WOMAN'S SOCIETY

The Woman's Missionary Society of St. Paul's Lutheran church, Nachusa, will meet at 2 p. m. Wednesday at the home of Mrs. Olive and Mrs. Mary Spangler.

Joanne Foster Is Bride of Melvin Jacobs Saturday

At 7:30 o'clock Saturday evening, April 5, Miss Joanne Elaine Foster, eldest daughter of Mr. and Mrs. William H. Foster, 1125 North Galena ave., became the bride of Melvin P. Jacobs, only son of Mr. and Mrs. Sherwood Jacobs, Route 3, Dixon.

Rev. Jack D. Foster, Akron, Ohio, brother of the bride, officiated in the impressive double ring ceremony at the Bethel Evangelical Congregational church.

Mrs. Bert Tracy, aunt of the bride, was nuptial organist and played "Until", "Dream of Love" and also introduced Mrs. Ray Herbert, soloist, as she sang "I Love You Truly", "At Dawning" and "Because".

Candlelight Service

The entire service was by candlelight. The church altar was banked with palms, Easter lilies, and large baskets of white anemones and two seven branch candleabra.

One of the most impressive parts of the ceremony was the unusual reading of the Lord's Prayer by Pastor Fred Cunningham with organ response by Mrs. Bert Tracy.

Given in marriage by her father, Joanne with her dark hair and eyes made a lovely picture in her white slipper satin gown styled with deep shoulder yoke of chantilly lace and rolled satin flange falling over the shoulders. A row of satin covered buttons trimmed the bodice from yoke to waist. The long fitted sleeves were fastened at the wrist with rows of satin covered buttons and came to a point over her hand. Her long full train caught up into a head piece of nylon net in a sweetheart design. On her left shoulder she wore a pearl and rhinestone brooch, the gift from the bridegroom and carried a shower bouquet of pink sweetheart roses.

To carry out tradition Joanne wore for her something old and borrowed a satin garter from a friend who was a recent bride. Something new was her wedding dress and something blue was a dainty blue handkerchief tucked into her bouquet. The blue hanky was a special gift from the bridegroom's mother.

Marilyn Foster, only sister of the

petals to sprinkle on the white carpet before the bride.

Carr Osborn, Dixon, served his brother-in-law as best man. Morrison Miller and George Munteau were ushers.

For her daughters wedding Mrs. Foster selected an orchid gabardine suit with grey accessories and wore a corsage of pink carnations. The bridegroom's mother chose a dress of deep orchid crepe with accessories in lighter shades of orchid and wore a corsage of pink carnations.

200 at Reception

Approximately 200 guests attended the open house reception in the basement of the church following the wedding. The reception room was decorated in pastel green and yellow with white wedding bells by Miss Virginia Dear-dorf and Mrs. Walter Capes. Mrs. Fred Cunningham was in charge of decorating the brides table and the serving table.

The three tiered wedding cake topped with a miniature bride and groom, and circled with fern was the center of attraction on a beautifully appointed lace covered serving table. The bride's table, where the entire wedding party were served, was decorated with a centerpiece of a tiny bride and groom under a garden trellis. The miniature bride and groom were ones used on the cake at the wedding of the bride's parents.

Miss Gwendolyn Hillison, Amboy, cousin of the bride, served the guests with punch. Mrs. Carr Osborn, Dixon, sister of the bridegroom, presided at the silver coffee service. Miss Mildred Price, Amboy, cousin of the bride cut the wedding cake. Miss Betty Black was in charge of the guest

book and Misses Geraldine Tracy and Fern Wigginton were in charge of the gifts. All of the girls wore formals and pink or white carnations in their hair.

Reside in Dixon

For going away Joanne wore a grey and gold satin dress and beige checked topper with tinsl beige half hat. She wore the corsage from her bridal bouquet.

Out of town guests were from Amboy, Sandwich, Mendota, Akron, Ohio, Franklin Grove, Cedarville, Rock Falls and Savanna.

The bride was employed at the Tiny Tot Shop and the bridegroom is employed at Public Service.

The newlyweds are at home in their newly furnished apartment at 511 W. First st., Dixon.

Plum Hollow Party Features Fashion Parade

Members and guests of the Plum Hollow Golf club are urged to attend the final card party of the season Tuesday, April 8, at the club. A dessert luncheon will be served at 1 p. m. and a feature of the party will be an Easter fashion show by a local dress shop. Mrs. Walter Krug will furnish music for the fashion parade. Cards will follow the show.

Many Attend Dance
Over 200 attended the opening dance held Saturday evening at the club. Music was furnished by Dick Belcher's orchestra.

Sorority Council

The Beta Sigma Phi Sorority council will meet at 8 p. m. today at the home of Mrs. Earl Slagle, Jr., 312 Dement av. The newly elected presidents, representatives and alternates of the three sorority chapters in Dixon will attend.

Officers of the council will be elected for the coming year.

Obituaries

MRS. FRANK CHAPMAN

Mrs. Frank (Ora) Chapman, 51, of 209 May st., died about 7 p.m. Sunday in KSB hospital. She had been ill for some time but her death was unexpected.

Ora Griffith Chapman was born in Delaware county, O., Aug. 30, 1894, to George E. and Melva Beach Griffith.

Mrs. Chapman is survived by her widower; a brother, Frederick Griffith, Alba, Canada, and a sister, Eliza Holmquest, Mt. Carroll. Her parents, two brothers and a sister preceded her in death.

Funeral services will be at 2:30 p.m. Wednesday in the Melvin funeral home. The Rev. Fred Cunningham, of Bethel United Evangelical church, will officiate. Friends may call at the funeral home.

CHARLES H. LOWER

P.O. — Funeral services for Charles H. Lower, 83, retired Polo area farmer who died at 11:40 p.m. Saturday in KSB hospital, Dixon, will be at 2 p.m. Tuesday in the Evangelical United Brethren church. Mr. Lower, who had been in failing health, was taken to the hospital Saturday morning.

The Rev. Ira Wilson, pastor, will officiate. Burial will be in the Evangelical United Brethren church, Brookville.

Mr. Lower had farmed in the Polo area until seven years ago, when he and his wife moved into Polo. He was born March 19, 1869, in Brookville township, near Polo, a son of Henry and Lydia Paul Lower.

Mr. Lower was married to Agnes Kahl in 1889.

He is survived by his widow; a son, Luther, Polo; a brother, Joe, Morehead, Minn.; two sisters, Mrs. Stella Rubendall, Polo, and Mrs. Edna Berger, Glendale, Calif.; four grandchildren, and eight great-grandchildren. He was preceded in death by two daughters.

The body will be at the Melvin funeral home, Polo, until 1 p.m. Tuesday when it will be taken to the church.

EMIL CARDOT

WEST BROOKLYN — Funeral services for Emil Cardot, 91, who died Thursday in Rochelle, were held Saturday morning at St. Mary's Catholic church. Mr. Cardot died at the home of a son, Ed, with whom he had lived four years.

Burial was in St. Mary's cemetery.

Survivors include seven sons, Henry, Ashton; George, Lena; Irvin, Seneca; Leo, Chana; Wilbur, Sandwich; Willard, Amboy, and Ed, Rochelle; five daughters, Mrs. William Parsley, Steward; Mrs. Gus Waller, Pawpaw; Mrs. George Davis, Compton; Mrs. Martin Seaborn, Mt. Vernon; and Mrs. Robert Clayton, Amboy; 33 grandchildren, and 15 great-grandchildren.

Mr. Cardot was born June 28, 1860, in France. He came to the United States when 20 years old.

MRS. W. G. WHITE

AMBOY — Funeral services for Mrs. W. G. (Corra) White, who died at Fargo, N.D., March 11, will be at 2 p.m. Wednesday at the Tomlinson funeral home. The body was to arrive at the funeral home today.

Dr. O. C. Jones, pastor of the Methodist church, will officiate. Burial will be in Prairie Repose cemetery.

HENRY KOERPER

MENDOTA — Henry Koerper, 84, of Mendota, father of Lillian, Clara and Florence Koerper, all of Dixon, died at his home here Saturday evening.

Mr. Koerper formerly farmed for many years near Sublette.

Services are to be held Tuesday at 2 p.m. from St. John's Lutheran church, Mendota. Friends may call at the Merritt funeral home, Mendota, from 7 to 9 p.m. Monday.

IDA E. DERR

Ida E. Derr, formerly of Dixon, died Sunday in Chicago.

Mrs. Derr is the widow of the late John D. Derr, and mother of Mildred Gage and Harry L. Derr. Other survivors include a sister, Clara Reinboth, and grandchildren John and Ronald Derr.

Services are to be held Tuesday at 10 a.m. in Chicago with burial in Dixon.

MARGUERITE E. STONER

Miss Marguerite E. Stoner, 53, of 1007 Peoria av., died at KSB hospital at 3:45 p.m. Sunday after a two-week illness.

Born March 31, 1899, in South Dixon township, she was a daughter of M. S. and Mary A. Depuy Stoner.

Miss Stoner is survived by two sisters, Florence M. Stoner and Mrs. John R. Moore, both of Dixon, two nephews and a niece. Her parents and a brother preceded her in death.

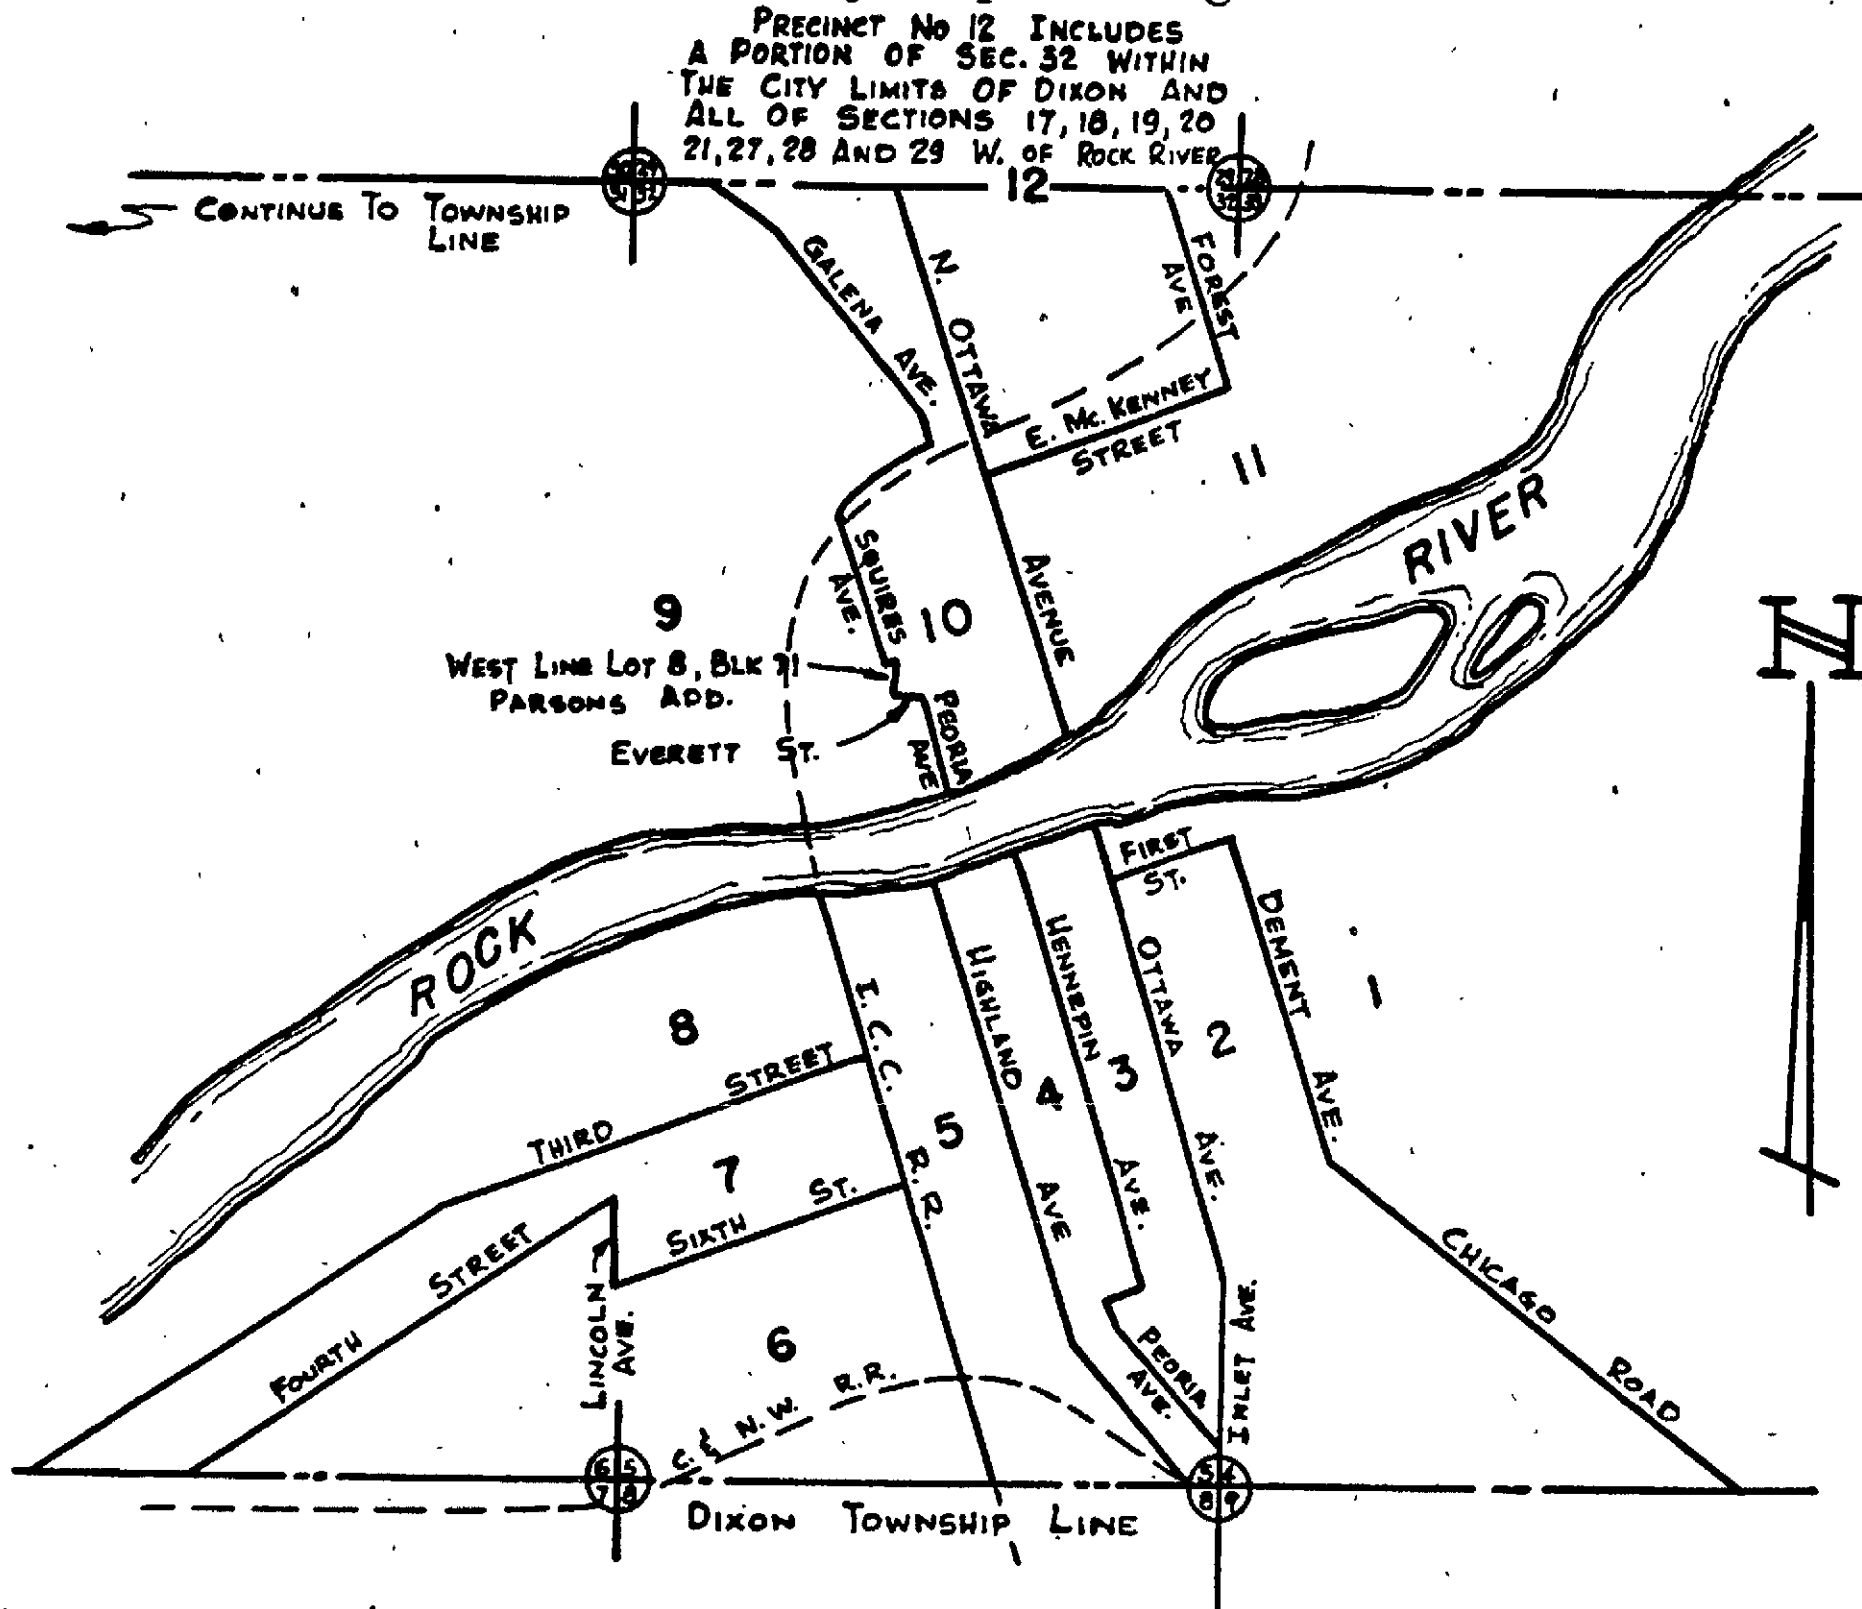

Funeral services will be at 2:30 p.m. Wednesday at the Preston funeral home. The Rev. A. C. Nesmith will officiate. Burial will be in Oakwood cemetery.

Dixon Youth Hurt Seriously In Auto Crash

ROCK FALLS — A 27-year-old Dixon orchestra player, who was returning from a dance band engagement in Sterling, is in critical condition today at Sterling Community hospital following an accident Sunday morning on the Dixon avenue bridge, Rock Falls.

Samuel Hack, 1314 College av., had been playing at a Sterling dance and was driving home in a separate car from the rest of the band at the time of the accident, about 3 a. m.

His car, going east on Dixon avenue, struck the canal bridge, on the Rock Island blacktop, on the right guard rail and then slammed across against the left side of the bridge. Police said the car hit eight feet above the bridge floor on the left side.

His condition this morning was described as "better" by a Rock Falls doctor. He is reported to have a severe concussion, a possible skull fracture, cuts about the neck and face, a possible fractured jaw and a possible fractured vertebrae.

This morning, for the first time since the accident, he was taken from under an oxygen tent after he had emerged from a coma.

The doctor said that on the way to the hospital, Hack had almost stopped breathing.

The car, according to police, was damaged beyond use.

Voice Of The People

Voice of the People:

It seems only fair that I make the following statement regarding the Junior Chamber of Commerce stand regarding the County Bridge Issue: This was not voted on by the entire membership, and in addition to this, the vote was not unanimous. One member has voiced a quite positive objection to the wording such as it was, and hence in fairness to him and any others who might feel the same, I felt obliged to put this statement in the paper.

Respectfully,

James Hey, President Dixon Jr. Chamber of Commerce.

Divorce Granted

OREGON — A divorce was granted in circuit court here Saturday to Margaret Padulla, Oregon, against Joseph Padulla.

The divorce was granted on charges of cruelty. They were married Oct. 28, 1950.

Primary Ballots Go Out to Precincts for Tuesday Vote

(See Picture Page One)

Tomorrow, when you get that ballot, look at it closely. Just two days ago it was one of more than 85,000 headstamps. And all of them belonged to Sterling D. Schrock, Lee county clerk.

Tomorrow it will be yours to do with as you please, but the man in the Lee county courthouse has seen his share of them. He, along with Bruce Dunlop, deputy county clerk, have handled, packaged and parceled an estimated 88,000 ballots—in other words, all of the ballots in Lee county.

This total includes all the Republican and Democratic ballots, the bond issue ballots and ballots for election of the school board of trustees ballots.

77,000 to Judges

Approximately 77,000 of these are sent to judges in the precincts, along with an armload of supplies that fill a three by two foot cardboard box about six inches deep.

Both deputy and clerk, however, don't term the election job as a headache, they speak of it more as "regular" occurrence.

"We do most of it in the last six weeks," explained Schrock.

"I like to do this—if I didn't like it I wouldn't be here doing it." (And he's been doing the job since 1935.)

Each precinct gets an ample supply of ballots, said Schrock, and he keeps a reserve in the courthouse in case of emergency. If a fire happens to burn down the polling place the night before and the ballots are inside, the reserve ballots, already printed for the precinct, would be sent. These would supply voters until Schrock could have the printer, who keeps the ballots in type until after election, prints more.

False Alarm

"Only once," recalled Schrock, "was there any need for more ballots." That, as he remembered, was in Brooklyn township back in the late '30s. The judge called Schrock saying he thought he might "run out of Democratic ballots." Schrock rushed the reserve supply, but it turned out that all the Democrats had come in a bunch and the warning was only a false alarm.

Besides the ballots, which are packed in the brown envelopes of various sizes, the supply box is also one of the Schrock-Dunlop problems. In each box, for each precinct, they must put in the following items:

Sealing wax (to seal envelopes after voting), ink, pen, pencils, ballot bag, card for polling place, county map, tally books, poll record book, election instruction book and more envelopes.

So, if you start to struggle over that ballot tomorrow in the polling booth, don't give up. You aren't the first one for whom it has caused a little extra work.

Corruption Probe, Already a Mess, Cannot Turn for Worse

By JAMES MARLOW
WASHINGTON—(AP)—There's reason why the investigation of government corruption charges, already an incredible mess, can't get worse.

Soon after President Truman named him the new attorney general, Judge James P. McGranery seemed to have doubts there is any corruption but said he'd have J. Edgar Hoover look into it.

If the administration was thinking of an investigation in political matters, then picking the FBI chief for the job would seem like a very smart political move, on paper anyway.

Has the Confidence
Hoover has the public's confidence as the best investigator in government. And his relations with congress, where the administration gets most of its criticism, have been extraordinarily good for years.

So good, in fact, that of all those holding top jobs in this administration Hoover probably would have the best chance of keeping the Republicans won in November.

After all, it was the Republicans who put him in his present job in the 1920s and he was so close to the Democrats he kept him there ever since.

But by one of those same strange twists which have made the whole corruption investigation so remarkable, Hoover's first assignment isn't to investigate corruption but investigating McGranery.

At attorney general and head of the Justice department, McGranery would be Hoover's boss, but before the judge can have the job must be approved by the senate.

McCarran No Friend
And before the senate gets a chance to approve, the senate's judiciary committee must look him over. It so happens the committee is headed by Senator McCarran, who, although he's a Democrat

from Nevada, is no friend of Truman's.

And McCarran told Hoover, before the committee questions McGranery, to give him a report on the judge. Other members of congress want to quiz McGranery about his handling of the Amerasia magazine case in 1945 when McGranery was an assistant attorney general.

So for some time to come the public's attention may be diverted from the problem of the investigation of government corruption to the investigation of McGranery.

Never Says Much
If McGranery finally passes his examination, Hoover can start pumping him into information on government corruption, if any. At first the public may be startled by Hoover's silence.

Then it will remember that Hoover and the FBI never say much about the dirt they uncover since they never prosecute anybody for anything. It's not their job.

Their job is to gather information on wrongdoing and then turn it over to the attorney general for whatever action he wants to take. They generally leave it up to him to make the public statements.

There's hardly any doubt that Hoover has quite a bale of information on government employees in his files. And it's sure that the FBI never throws information away.

All in all things shouldn't be dull around here.

Some pitcher plants have pitchers that hold a quart. These queer formations catch insects for the plant to digest.

REDUCE! YOU CAN DO IT I DID IT WITH RENNEL

Mrs. Harry Miller of 628 E. Madison St., Belvidere, Ill. writes: "After taking only 4 bottles of Rennel Concentrate I have lost 20 lbs. I feel simply wonderful and lost this weight with no ill effects. I certainly can recommend the Rennel home recipe to anyone wanting to lose weight in a safe easy way."

"Thousands have discovered this amazing simple home recipe to be the safe economical no diet way to reduce. Ask your druggist for 4 ounces of liquid RENNEL CONCENTRATE. To this add enough unsweetened grapefruit juice to make one full pint. Then take two tablespoonfuls twice a day. If you are not pleased with the results from the first bottle return it to the manufacturer for your money back. See your druggist today for RENNEL."

THE BIBLE IS A CATHOLIC BOOK

People differ radically in what they think about the Bible.

Some seem to think it was handed down from heaven written in English and bound in morocco. Many accept it as the inspired Word of God without knowing why they are justified in doing so. And others say that the Bible is full of contradictions and must be taken "with a grain of salt."

A proper understanding of the Scriptures can exert a tremendous influence for good in your personal life. You should, therefore, know where we get the Bible... what it means... why you can believe its very word.

Nowhere in the Bible text will you find a list of the 73 inspired books of which it is composed. This list was given to the world by the Catholic Church almost 1700 years after the crucifixion of Jesus Christ. Between the time of the Crucifixion and the time that the Scriptures were gathered into a single Book, millions had received and accepted the teachings of Christ... and had died without ever seeing the complete Bible.

Established by Christ Himself and rapidly spread among the nations of the world, the Catholic Church was carrying on Christ's work for the salvation of men some 1000 years before the Apostle John wrote his book of the New Testament.

For more than a thousand years afterward, the Scriptures were preserved and circulated by Catholic monks and scholars who laboriously copied the sacred text by hand. And the Bible authorized by the Catholic Church was the first book produced by Gutenberg upon the invention of printing.

Yes, the Bible is truly a Catholic book. They were members of the Catholic Church who, under God's inspiration, wrote the New Testament in its entirety.

It was the Catholic Church which treasured it and gave it to the world in its original and unaltered form. It is the infallible authority of the Catholic Church that always has been the only sure guarantee of its inspiration.

There are obscure and difficult passages in the Bible, some of which may seem confusing. But with the complete revealed truth of God, delivered to her from the beginning, the Catholic Church has faithfully unfolded the meaning of the written Word of God to past generations of mankind—and does so today.

Those who are familiar with the Bible, as well as those who are reading it for the first time, will find many important questions concerning it clearly answered in a free booklet which we shall send you on request. Ask for Pamphlet No. 3-N.

Scribe Says It Happens Every Spring

But He Still Likes Cleveland To Win Pennant

By GAYLE TALBOT

OKLAHOMA CITY —(AP)— At approximately this date each spring we select the Cleveland Indians to win the American league pennant. It has become a habit not easily broken.

This time the feeling is overwhelming that the Tribe will take it going away, barring injury to one or more of their key players. They are an impressive set of athletes, and not just because they have been giving the Giants their lumps on the training trail.

They have everything they had last season, when they pursued the Yankees to the wire, and they appear to have added some strength in the form of a big rookie outfielder named Jim Fridgey, who hits from the right side. Luke Easter and Larry Doby are hitting them a mile and running the bases with an alarming abandon. It's difficult to see how they can miss.

Easter is the key man. The 235-pound Negro was crippled much of last season, but he had his knee mended during the winter and is getting around like an oversize gazelle. He could hit anywhere up to 40 homers and drive in maybe 120 runs.

Pete Reiser, the old hard luck kid, is putting up a spectacular battle for a pinch-hitting job with the club. A free agent, the one-time Brooklyn star just dropped into camp and began slugging the ball. In his first six times up he hammered two doubles, two singles and drew two walks.

There has been only one disappointment. Sam Jones, the highly touted rookie pitcher from San Diego, reported with his throwing arm so sore that he finally was shipped down to the Cleveland minor league camp in Florida to try to get it in shape. Sam pitched all winter in Puerto Rico, and the Indians official family is not at all happy with him. Sooner or later players' contracts are going to prohibit extensive winter ball.

Otherwise the Cleveland staff is in sound health. There hasn't been an ache or pain among the big four—Bob Feller, Bob Lemon, Mike Garcia and Early Wynn—and all are ready to go the distance now. The team should get a terrific start and probably will draw around 60,000 for its home opener.

Expect Williams To See Combat

WILLOW GROVE, Pa. —(AP)— Capt. Ted Williams, the Boston Red Sox star, will probably see combat duty as a marine flier, a spokesman at the marine air reserve training command here believes.

Commenting on the recall to active duty of Williams, and Jerry Coleman, New York Yankee infielder, the officer said, "It's a good bet Williams and all other recalled fliers will see combat."

Williams is due to report May 2 for some two months of preliminary training before going to Cherry Point, N. C., for specific assignment, he said. Coleman is due to report to a West Coast base the same day.

RESEMBLANCE — Former Dodger Tommy Brown resembles the great Joe DiMaggio here as he takes a healthy cut at the ball during batting practice at Clearwater, Fla. The 24-year-old outfielder is now with the Philadelphia Nationals. (NEA)

EXHIBITION RESULTS

EXHIBITION BASEBALL MONDAY'S SCHEDULE
Boston (A) vs. Philadelphia (A) at High Point, N. C.
Chicago (A) vs. Pittsburgh at New Orleans, La.
Cleveland vs. New York (N) at San Antonio, Tex.

(ten innings, called by agreement)
Detroit 5, Birmingham (SA) 4
Pittsburgh 13, Chicago 1
St. Louis (A) 18, San Antonio (TL) 5.

Snead Winner In Masters Golf Tourney

AUGUSTA, Ga. (AP)—It could be that Sam Snead didn't win the 1952 Masters golf tournament but that four others lost.

That's what a lot of folks were saying as they left the Augusta National course late yesterday after Snead hung up a mediocre 286 and not another golfer could get closer to it.

His final round was a par 72—modest for such a man as Snead. That 286 was the worst four rounds of victorious golf ever shot in a Master's but still it was good enough to give the mountaineer from West Virginia a four-stroke margin over Jack Burke, Jr.

Burke played the finest golf of the wintry, windy day in shooting a 69—three under par on the 6,850-yard National—for 290.

Behind Burke came Jim Frier, Tommy Bolt and Al Bessellink with 291 and then Lloyd Mangrum with 292.

Ben Hogan, the guy who just doesn't slow up, yesterday blew as he hasn't blown in years—a 79 for a 293 and a tie with three, others for seventh.

Johnny Berardino, former infielder for the Browns, Indians and Pirates is giving up the game for a career in acting. He has enrolled in a drama school.

Ohio Trackmen 'Lack Depth,' Vail Says; to Open Season In Triangular on Tuesday

OHIO—(Special)—Snow flurries forced the cancellation of Ohio high school's 1952 track debut at Walnut last Friday, but Coach Chuck Vail's Bulldogs will try again Tuesday when Tiskilwa and Malden come here for a triangular meet.

Unlike football and basketball, in which Ohio dominated the Little Eight conference, track prospects at Ohio this season are "only fair," according to Vail.

"I do have some outstanding boys, however, in Jim Fahs, Ted Piper, Steve Downey, Mike Clinton, Dave MacDonald and others," Vail admits.

Fahs, a senior, specializes in the dashes and broad jump. Piper and Downey like the weights and dashes. MacDonald tosses the weights and runs the hurdles. Clinton is one of the better milers in this part of the state.

Others who have experience are Gene Nothnagel, who runs the 440 and the hurdles; Carl Morgensen, high jump, broad jump and 880; Swede Anderson an 880 runner; Buck Donnelly, a hurdler, Cecil Thompson, 880 and hurdles; Jerry Conner, pole vault and 440; Ted W. Anderson, frosh-soph relay man; Ted Smith, frosh-soph relay and broad jump; Mike Knuth, hurdles; and Harry Joder, 440 and weights.

Other squad members include the following freshmen: Jim Stocking, Tom McGraw, Milton Anderson, Franklin Rogers, Ronald Morgensen, Bob Walters, Bob Hensel, Jack Piper and Pat Piper.

Iowan Shoots 288 In ABC Tourney

MILWAUKEE, (AP)—Melvin Bowen, Des Moines, Ia., posted a new high game in the current American Bowling Congress tournament last night, hitting 288 in booster team competition.

Bowen, a 33-year-old kegler with a 170 average, began with a spare, tossed in 10 strikes in a row and then left the 4-7 standings on his final ball.

Fred Henry, 51-year-old grinding machine tender from Herkimer, N. Y., put together games of 279, 210 and 233 for a 712, high for the meet in the regular team division.

There were no changes among the top 10 regular teams.

Rudy Fassl and Jack Frisbie, Cincinnati, O., had the best doubles series of the day with 1,252 good for eighth place. Lawrence Kneuve and Harvey Cowgill of Columbus, O., had 1,245 for tenth.

I Just Swim, And Swim: Konno

NEW HAVEN, Conn. (AP)—Ford Konno, America's outstanding Olympic hero, explains his success simply: "I just swim, and swim."

Konno, a 19-year-old package of swimming dynamite from Hawaii and Ohio State freshman, dominated the three-day National A.A.U. indoor championships, which ended here Saturday night, by scoring a "triple".

He set the pace in the Gruelling 1500-meter, the 440-yard and 220-yard free style races impressively against the nation's best, and just about won himself a seat on the plane for Helsinki next July.

IT'S PLAYOFF TIME

Montreal, Boston Tied 3-3 in NHL

NATIONAL LEAGUE HOCKEY PLAYOFFS AT GLANCE MONDAY'S SCHEDULE
No games scheduled.

SUNDAY'S RESULTS
Montreal 3, Boston 3 (2 overtimes, best of 7 series tied, 2-1).

SATURDAY'S RESULTS
No games scheduled.

BOSTON —(AP)—Tied up again at three games all, Montreal Canadiens and Boston Bruins head back to the Canadian metropolis for Tuesday's seventh and final game. The winner will qualify for the Stanley cup finals against the National Hockey league's championship Detroit Red Wings.

It took Canadiens 80 minutes, 49 seconds of rugged play last night to keep this semi-final series alive. Montreal won 3-2. The Bruins, who had won three straight games, needed one more triumph to qualify for the final round for the first time since 1948.

During the eighth minute of the second overtime session, rookie center Paul Maresnik, called up from the Cincinnati American hockey league farm club for the occasion, slapped a six-foot, game-winning angle shot after taking the rebound of a 30-foot shot defense-man Doug Harvey bounced off Boston goalie Jim Henry's pads.

Henry played the last 40 minutes or so under a terrific handicap. Early in the third period his nose was fractured by a puck Harvey fired from almost point-blank range.

Johnson and Spahn Stop Brooklyn, 1-0

Question of Day: What Happened to 'Rabbit Balls'?

By The AP

Major league hitters are beginning to suspect that some one is sabotaging the official league baseballs.

Could it be that some "dead balls," famous in grand pappy's day, have found their way into the usual batch of "rabbit" balls? Warren Spahn and Ernie Johnson of the Boston Braves are the latest pitchers to lend support to the hitter's belief.

Spahn and Johnson teamed up to pitch the Braves to a 1-0 no-hit victory over the Brooklyn Dodgers at Chattanooga, Tenn., yesterday. The masterpiece, before 9,098 fans, was the third no-hit no-run game of the spring, an unprecedented feat. From 1939 until this season only five no-hitters were pitched in Grapefruit league competition.

Jim Hearn and Monte Kennedy of the New York Giants pitched 1952's first no-hitter, beating the Chicago Cubs, 10-0, on March 17. Rookie righthander Steve Ridzik of the Philadelphia Phillies pitched the second gem, downing the St. Louis Cardinals, 3-0, last Friday.

Spahn toiled the first seven innings and allowed only one Dodger, Roy Campanella, who walked in the fifth, to get on base. Dick Williams, through an error, was the only Brook to reach base during Johnson's two innings.

Preacher Roe, veteran Dodger lefthander, was almost as good. He blanked the Braves on six hits until the ninth when Willard Marshall homered with two out to win the game.

Hitting featured the majority of the other games.

Service-bonded Ted Williams and Walt Dropo socked a pair of homers apiece to lead the Boston Red Sox to an 8-4 triumph over Oklahoma City of the Texas league at Oklahoma City.

The Pittsburgh Pirates pounded out 15 hits including home runs by Ted Beard and Ralph Kiner to bury the Chicago Cubs, 13-1, at New Orleans.

Cliff Fanning, supported by the St. Louis Browns' 17-hit attack, had no trouble turning back the San Antonio Missions of the Texas league, 18-5, in the Alamogito.

Jim Busby pounded out a two-run homer and Chico Carrasquel one with the bases empty to lead the Chicago White Sox to a 4-1 decision over Fort Worth of the Texas league in Fort Worth.

Wertz Hits Homers

Outfielder Vic Wertz drove in three runs on a pair of homers to spark the Detroit Tigers to a 5-4 victory over Birmingham of the Southern association.

Home runs highlighted the Philadelphia Phils' 8-3 triumph over the Cardinals at Columbia, S.C. Del Ennis and Forrest Burgess connected for the Phils and Solly Hemus, Enos Slaughter and Peanut Lowrey for the Cards.

In other games, Cleveland trounced the Giants, 9-4; the Yankees nipped Atlanta, 5-4; the Cincinnati Reds edged Washington, 3-2, at Charlotte, N.C., and the Philadelphia Athletics and Baltimore Orioles battled to a 4-4, ten-inning tie at Baltimore.

Progress Report On TV Study To Be Heard Today

CHICAGO, (AP)—Progress reports on the 1952 television program and on a survey of post-season competition will be studied today by the NCAA council.

The council, policy-making body of the National Collegiate Athletic association, will hear reports from its extra events and television committees then adjourn its two-day session.

Hugh C. Willett of Southern California, NCAA president, said final recommendations for a 1952 TV program of football games will not be announced until the full committee meets in New York April 22.

The extra events committee is going ahead with a year-long research of post-season competition, especially bowl football games, to determine factually the good and bad features of such contests.

The council, at its opening session yesterday, announced that it will take no action at this time on waiving the freshman eligibility rule. Unless this stand is modified, freshmen will be ineligible to compete in meets presented by the NCAA next year.

TO TRY OLYMPICS

MADISON, Wis. (AP)—The Olympics beckoned today to nine of the nation's best college boxers and a 10th spunky candidate from the Hawaiian Islands. The collegians, crowned NCAA milt champions Saturday night before 13,231 fans in the University of Wisconsin field house, earned with their titles a chance to "compete" for berths on the U. S. Olympic team this summer.

HUGHES VIEWS OF SPORTS

It's spring again and once more the old track vs. baseball discussion is back in bloom.

LAST WEEK ON this page, Hank Henry, an ex-baseball player and all-around athlete from Dixon, suggested that most high schools are missing a good bet by not playing baseball in the spring.

Hank suggested that baseball would be worth while if the teams played only four or five games each spring. Critics of the sport have said that our cold spring weather might prevent the playing of longer schedules.

BASEBALL WOULD clash most violently with track as a spring sport in most schools. In many schools it might have a tough time replacing track as a spring favorite.

It shouldn't be so difficult in Dixon.

THE TRACK situation in Dixon is perhaps the most unique of any high school in the state. No less than five coaches, something new in platoon systems, direct track activities each afternoon at Dixon high school. In this setup we can detect nothing less than a fantastic waste of manpower, a statement that isn't designed to make this corner any more popular with the local coaching fraternity, but a conclusion that we find hard to evade.

Perhaps the personalized instruction DHS trackmen are getting each spring is beneficial in some way; if so, it wasn't readily apparent in the performances of the local athletes in matches with other schools and in the North Central conference meet last season.

GRANTED, THE material at DHS has not been outstanding in recent years. But more noticeable than any lack of material has been a general lethargy among many local athletes, a lethargy that amounts to a mental block in competition.

In track, more than in any other popular sport, "guts" is the criterion of the winner. To be a successful trackman a boy must train, train and then train some more. He must practice long hours at developing form, for in few other sports has perfection been reduced to the almost-mechanical process that track technique has become.

SELF DENIAL is the essence of track. Self denial brings the physical condition that is necessary to produce a winner. But even conditioning isn't enough. In final analysis, it is the boy with the "heart" who becomes a standout in track.

It is the boy who still runs hard even when he feels that his lungs will surely burst if he continues at top speed down that last 100 yards to the wire.

UNFORTUNATELY, NOT many Dixon athletes have displayed a fondness for this kind of self-sacrifice in recent years—not only in track but in other sports as well.

This is a serious charge, one that deserves correction if untrue. But if it is true, it needs correction too—in the performances of the boys who participate in athletics.

IT IS BECAUSE such a condition seems to exist that we wonder if maybe baseball wouldn't be a better major spring sport for Dixon high school. At least two of the present five track coaches might be assigned to baseball. Maybe a new sport would present an opportunity for a fresh start with a new outlook.

CUB REGULARS AILING

Bruins Ship McLish to Los Angeles

SHREVEPORT, La. (AP)—

Pitcher Cal McLish, who had a 4-10 record with the Chicago Cubs last year, has been released outright to the team's Los Angeles farm club of the Pacific Coast league.

The 26-year-old righthander has had a sore arm during most of the spring training.

The Cubs, whose eight-game winning streak was shattered yesterday by the Pittsburgh Pirates, 13-1, are hoping that three of their regulars soon will be able to return to action.

Second baseman Eddie Miksis has a charley horse, shortstop Roy Smalley has a severe cold, and third baseman Ransom Jackson is nursing minor bruises and cuts. Jackson was hurt Saturday when he tumbled in the Pirate dugout while chasing a foul fly.

Sox Play Bucs

NEW ORLEANS, (AP)—Hoping to bolster their Grapefruit league record of only six wins in 18 games with major league foes, the Chicago White Sox tonight open a two games series with the Pittsburgh Pirates.

The Sox took a 4-1 Sunday decision over the Fort Worth Cats. Outfielder Jim Busby, whose lack of hitting this spring has been one of Mgr. Paul Richards' big worries, slammed a two-run homer for the Sox at Fort Worth.

Wid in Huddle

NEW ORLEANS, (AP)—Branch Rickey of the Pittsburgh Pirates and Wid Matthews, Chicago Cubs personnel director, conferred during the weekend on a possible player trade.

One report had a trade involving third baseman Bill Serena of the Cubs and Pirate catcher Clyde McCullough.

Cards Run-Shy

RALEIGH, N.C. (AP)—The St. Louis Cardinals can produce hits but they are still shy on the run side.

The Cards dropped their fourth consecutive decision to the Philadelphia Phils yesterday, 9-8. They out-hit the Phils 17 to 10 and picked up another five runners on walks. But 12 men were left stranded.

Veteran Enos Slaughter tried to HVEN the Cardinal attack with his first home run of the season in the fifth inning.

Garver vs. Cubs

SHREVEPORT, La. (AP)—The St. Louis Browns planned to use ace Ned Garver on the mound today as they start a four-game swing with the Chicago Cubs.

Normally a slow starter in the

spring, Garver has been sharp this season, running up 17 scoreless innings before the Pittsburgh Pirates recently broke it.

After the game here, the two clubs move north for successive games at Oklahoma City, Wichita and Topeka, Kas. It ends the Browns' spring road exhibition tour. So far they have a 19-8 overall record.

Hank Henry Looks at Sports

The Peoria Caterpillars have quickly risen to fame in A.A.U. basketball circles. For the last two or three years they have been Illinois A.A.U. champions, but this year they went on to defeat the Phillips Oilers from Batesville, Okla., and thereby become National A.A.U. champs. After annexing that title, the Caterpillars went on to defeat the University of Kansas for the championship in the 1952 Olympic tryouts at Madison Square Gardens. This means that the Peoria team qualified the starting five on this year's United States Olympic basketball squad.

The first notice I ever had of the Caterpillar's strength came about four years ago when they used to trim the Mt. Morris Kable Kolts quite handily at a time when the Kolts could easily beat almost any A.A.U. team in this section of the state.

In many families the children and Mommy are already decked out with new outfits for Easter. There's all this week left for Daddy to choose his new SUIT, HAT and SHOES at HANK HENRY'S. The family will be as proud of your outfit as they are of their own.

"My" Chicago White Sox are going to have to get on the beam, or they'll be a second division ball club this year. They don't appear to be sharp if their showing in the "Grapefruit League" is any indication. A team can have all the speed in the world, but if it can't put enough speed on the ball as it leaves the bat, they're just not in the game unless they have a superior pitching staff—something the Sox have not!

Multiflora Rose Bushes Can Be Obtained Now

A limited supply of multiflora rose bushes at a reasonable price is available to local farmers and others interested in conservation.

These shrubs make excellent cover for game.

Tom Downs, local Conservation department inspector, may be contacted for details. The shrubs are available through the state department of conservation.

Downs also has advised local sportsmen about details of fish spearing, now permissible under the fish and game code.

"A bow and arrow can be used along with a fish spear or gig or pitchfork in taking carp, buffalo, sucker, gar, dogfish and red horse from March 15 to May 31 inclusive between sunrise and sunset," Downs said.

Reichler Picks Cards

Says Stanky Will Make Difference

By JOE REICHLER

NEW YORK—(AP)—The defending champion New York Giants and the powerful Brooklyn Dodgers, in line with most of the experts, will have eyes only for each other. That might prove to be the undoing for both clubs.

For, while the Giants and Dodgers are battling each other, it is not at all unlikely that Eddie Stanky, freshman St. Louis manager, could steer his dark horse Cardinals past the feuding interborough rivals right into the World Series.

That, at least, is what the writer predicts will happen. So, the ego inflated because of having been fortunate to pick both pennant winners in 1951, as well as six of

HOW HE PICKS 'EM:
1. St. Louis
2. Brooklyn
3. Philadelphia
4. New York
5. Boston
6. Cincinnati
7. Pittsburgh
8. Chicago

the last seven National league victors (Dodgers finished second in '50) the choice here is the Cards who finished third last year, 15½ games behind the Giants.

The Giants boast the best pitching staff in the league but the loss of Monte Irvin, who fractured his ankle last week, was a crippling blow to their chances to repeat. Also, they are certain to miss Stanky, who contributed so much to their come-from-behind pennant conquest last year. They also face a difficult job replacing Willie Mays, the fine young centerfielder, whose call to service is imminent.

Another point to bear in mind is that not a single National league pennant winner has been able

to repeat since the Cardinals won successive flags in 1942-43-44.

The loss of ace righthander Don Newcombe has hurt the Dodgers where they were the weakest last year—in the pitching department. Although there have been glowing reports on the progress of Clem Labine, Ben Wade and John Ruthenford, it is most unlikely that any of the trio can make up the 20 victories Newcombe took with him to the army.

Redbirds Ready? The Redbirds, who haven't won in six years, appear ready to challenge again. If there is a pennant left in the trusty old combination of Stan Musial, Enos Slaughter, Red Schoendienst and Harry Brecheen, this should be the year to bring it off.

The presence of Stanky, both as a player and manager, is certain to aid the Card cause. He has brought to the Cards the same inspiring leadership, flaming spirit and contagious hustle that has played such a vital role in bringing pennants to three clubs within a space of five years.

Problem Clinic Closes Sunday

Speaking on the subject, "How to Leave Your Best to Your Children," James M. Watkins closed a series of five problem clinics at the Church of God, 221 W. Morgan st., last night. These clinics have been held each Sunday evening at 7:30 p.m., and have covered the major fields of personal problems. Preceding talks covered such subjects as marriage, teen-age problems, jobs, and stepping stones to better living.

In his closing talk Watkins said there is a lot of good and a little bad in every person and the only major difference is in the degree to which these factors balance one another. As a consequence we are able to impart a lot of good or bad to our children. It is unfortunate but true that we are more inclined to leave our warped attitudes or personal prejudices to the child rather than the good that is in us. Watkins pointed out that by giving our children love, a sound sense of security, a good sense of values, a practical spiritual foundation and a purposeful goal in life, they will naturally absorb the best of our ideals and ambitions. Unless we take special steps to see that we attain these goals we are in grave danger of committing our greatest sin against the oncoming generation.

The local church has sponsored these Sunday night talks as an example of the practical application of Biblical wisdom to life.

Pennsy Railroad Wreck Derails 8 Cars, Injures 2

ELWOOD, Ind., (AP)—A Pennsylvania railroad passenger train broke in two near here early today and two persons were injured as eight cars left the rails. About 25 others were bruised and shaken up.

The seven cars at the rear broke away from the train four miles southeast of here and left the rails. The last car of the front section also was derailed. None turned over.

A spokesman for the railroad said a broken rail is believed to have caused the accident.

Gordon MacFarland of Milwaukee, a passenger, suffered head cuts and bruises. A porter, Charles Johnson of Chicago, was believed hurt internally.

A broken rail crashed through the window beside the upper berth in which Father Louis Weltz, professor at Xavier university of Cincinnati, was sleeping, missing Father Weltz by only six inches. He was badly shaken up by the experience.

Wrecking crews were putting the cars back on the tracks. The train was en route from Chicago to Cincinnati.

LITTLE LIZ

When you buy things under the counter, you should expect to pay over the ceiling.

Morris to Take Final Message To White House

NEW YORK, (AP)—Newbold Morris, suddenly ousted last week as federal clean-up chief, says he personally will take his report to the White House.

In a radio interview last night, Morris said:

"I'm going to prepare a report and I'm going to take it to the White House."

Morris was dismissed Thursday by Attorney General J. Howard McGrath shortly before the latter's resignation was announced by President Truman.

"I believe the president still believes in what I wanted to do, because I went over it with him step by step," Morris said.

Canadian Bridge Collapses When Ice Jam Breaks

SWIFT CURRENT, SASKATCHEWAN —(AP)—Ice jams swept away the four middle spans of a big bridge across the Saskatchewan river 35 miles north of here yesterday and cut off the northern section of the province.

The million-dollar steel and concrete structure, completed a year ago after two years of construction, formed the only overland link with the north. Saskatchewan Premier T. C. Douglas said the structure would be restored "within three months."

A jam of ice blocks had built up against the bridge piers for nearly a week. They broke loose in the swift current before dawn yesterday. Great sections of the bridge were carried downstream and disappeared within minutes.

Damage was estimated at between \$200,000 and \$300,000.

Danish Town Battles Owls

AARHUS, Denmark, (AP)—A minor cold war is raging among the 2,000 citizens of the Danish town of Hammel over methods to fight a gang of aggressive owls.

Owls, rare in this country, are protected by game laws. The Hammel owls in the churchyard, using it as a base for terrorist attacks on churchgoers and others in the neighborhood.

With Hammel being a church-going town, almost every second citizen has suffered injuries.

A victims committee is circulating a petition urging parliament to repeal the owl protection statutes—at least in the case of Hammel.

But this has caused an uproar in local S.P.C.A. circles. They protest such a "horrid proposition" and have urged the town council to permit the owls to build their nests in the church tower.

Meanwhile, blood is being shed almost daily in the churchyard.

Snake Handler Bitten During Reptile Roundup

OKENE, Okla., (AP)—A veteran snake handler was bitten in the hand by an excited, swift-moving rattler yesterday after better than 15,000 hunters captured 1,684 reptiles alive in the 13th annual rattlesnake roundup.

The trapped snake was on the scale being weighed. Dozens of curious spectators watched frozen with fear as it suddenly slipped from beneath a metal fork which pinned its head to the platform. It struck swiftly at Russell Strayhorn, 47-year old veteran of 16 roundups and last year's winner.

Strayhorn refused anti-venom serum, maintaining stoutly that the "out and suck" method is the best remedy for snake bites. Doctors said he was not seriously hurt.

A ton of live, writhing rattlers was hauled onto Okene's main street. Shipman and a friend, Jimmy Davis, captured the winner—a 68-inch giant. The total catch weighed 2,140 pounds, with the winner scaling 12.

The Pribilof Islands, off the coast of Alaska, have repaid the purchase price of Alaska more than seven times.

The total catch, while under last year's 2,000 was considered good. Experts said the weather was too cold for perfect snake hunting and the reptiles were discouraged from emerging from their homes in the rocks to sun themselves in open territory.

CHRYSLER FirePower
is so much more than HORSEPOWER

- + It's worth remembering that today's Chrysler V-8 is not a "warmed-over" engine; but basically brand new... the first truly new type engine of modern times. It does, indeed, open new horsepower potentials, but what it can mean to you goes way beyond that...
- + FirePower is also a better-built engine throughout. It doesn't require premium fuel. It runs with less waste, less heat, less wear, less carbon deposit than other type engines can do. More of your gasoline's energy is turned into actual road power, greater reserve for passing and top speeds when needed...
- + FirePower gives your gasoline a better place to work... the first hemispherical combustion chamber in a stock-car engine. It makes possible more power from every drop of gas. You feel it the minute you open up a Chrysler, in greater accelerating power than you've ever had at your command...
- + Why not drive this revolutionary new-type engine, and feel its wonderful difference for yourself? Let your Chrysler dealer show you how much more than horsepower your money can buy in the engine Chrysler has designed from scratch to do an engine's job better, longer, and more efficiently than previous engines can hope to do!

Find Schuster Death Weapon, Police Claim

NEW YORK. (AP) — The Daily News said today it has learned from an authoritative source that police have found the .38 caliber pistol used to kill Arnold Schuster, whose tip led to the capture of Willie (The Actor) Sutton.

The News said it learned the gun was found in a parking lot near the 24-year-old Schuster's Brooklyn home.

The report said the weapon had been stolen from a shipment consigned to the army and being unloaded at a Brooklyn pier a month ago.

Schuster was hit with four bullets near his home on March 8. He had recognized Sutton on a subway train Feb. 18 and pointed him out to police. Schuster's slayer never has been identified.

Sutton was sentenced to 30 years to life in prison last Wednesday on a gun carrying charge. The 51-year-old notorious bank robber and jail breaker faces sentence on a conviction for a \$64,000 bank robbery in Queens, and also faces many years for prison breaks.

Mercury Rises, Midwest Flood Danger Hiked

By The Associated Press
Considerably warmer weather came to a large part of western United States today and it could hasten the winter's runoff in flood menaced portions of the Upper Missouri river watershed.

The Big Muddy and three of its tributaries already were on a rampage at widely scattered points. More than 1,500 persons have been driven from their homes. A 25 year old man drowned in the flooding Cannonball river in central North Dakota.

A Missouri tributary, the Big Sioux, had wreaked heavy damage at Sioux Falls, S. D. It burst out of its banks to engulf the airport

and an adjoining housing project, driving out 300 families.

A Missouri river crest of 6.8 feet over flood stage flooded 250 homes at Bismarck, N. D., before moving downstream. It covered highway No. 10 between the North Dakota capital and Mandan on the other side of the stream. The Northern Pacific railroad's main line was cut by the flood.

The Milk river in Montana was out of its banks from Glacier National Park to its confluence with the Missouri—more than 200 miles—and army engineers estimated it had flooded at least 125,000 acres of farm land.

Milder weather was general west of the Mississippi river to the Rocky mountains. There were showers from Montana southwestward to California. The eastern Great Lakes area and parts of New York state and Pennsylvania had snow flurries. It was cooler in New England and the Pacific Northwest.

SECOND SON
CAIRO, Egypt. (AP) — A second son was born Friday to Princess Faika, third sister of King Farouk, and her husband Fouad Sadek Bey. Faika and Sadek were married in San Francisco in 1949.

TAKES INCHES OFF HIPS AND WAISTLINE WITH LOOZ

By Kay Kavanaugh
Newest of formulas recently brought to light by Medical Science is LOOZ, a preparation for taking fat off Hips and Waistline.

For many who have tried "reducing treatments" and who have lost faith in them because of exaggerated claims and ineffectual results, LOOZ brings new hope.

Simply take 2 tablets A.M. & P.M. and see if your clothes don't fit and look more attractive, especially around fat spots such as hips, waist, abdomen, etc. No strict diet or exercises required—Insist on LOOZ at your druggist—one week supply—only \$2.00.

In Pennsylvania, there are "ice mines," where icicles form in hot weather and melt when winter comes.

Sweetbreads usually are the pancreas or thymus of cattle.

Prevents Wreck

NEWTON, Mass. (AP) — An alert trainman averted a possible train derailment last night by causing the removal of a 10-foot iron bar from inbound tracks before the arrival of a Boston-bound express from Albany.

Fred H. Delorey, 40, a Boston & Albany fireman, saw the obstruction from his Springfield-bound train. He notified authorities at Framingham and Newton police were called.

More medical books are published in Philadelphia than in any other city in the United States.

Boy, 15, Slays Pregnant Girl

COTTAGE GROVE, ORE. (AP) — A 15-year-old boy lured an 18-year-old deaf girl into the woods to pick wild flowers and then fatally shot her, a district attorney reported Sunday.

The youth, Elmer Belcher, shot the girl, a deaf mute, to halt "taunts directed at him about her pregnancy," District Attorney C. E. Lucky said.

The boy, although he admitted the shooting, did not admit intimacy with the girl, Mary Ellen Campbell, Lucky said.

Her body was found Saturday near her farm home. An autopsy revealed she was about five months pregnant.

Lucky said Belcher would be charged with first degree murder.
